Business Opportunity Workshop

Annacis Research Centre

October 26th, 2017

On the 26th of October, businesses of Metro Vancouver participated in a unique NISP synergy workshop. **Over 130 resources were discussed and 166 potential matches were captured!**

This opportunity provided a basis for delegates to interact and resulted in the identification of a series of innovative partnerships between businesses. NISP wishes to thank all participants, speakers, and volunteers who were present at the event.
